

# Game Agreement

## General Conditions

- Change of rules
  - PROSPECTORS reserves the right to change or add to these Conditions at any time, without notifying the User.
  - If the User does not agree to the Conditions, PROSPECTORS reserves the right to terminate the Agreement, which leads to the deletion of the User's account.
  
- Description of Services
  - PROSPECTORS renders the game service. The game is available for the Users who have signed up this Agreement. After signing up the Agreement, a User receives the right to use the game functions in its current version. A User does not receive a right to sign this Agreement automatically. Despite the different rules employed in every game or game world, a User has a right to have only one game account.
  
- Game Gold
  - In case of depositing 1 PGL token in the game, a User receives 1 000 of the game gold. In case of withdrawing 1 000 of game gold, a User receives 1 PGL.
  - In case of violating the rules of this Agreement, which leads to the further blocking/deleting of the User's account, a User will not be able to withdraw PGL.
  
- User's Obligations
  - A User cannot create several player accounts simultaneously, but a User can have one account per every game world. A User cannot provide access to his/her game account to third parties.
  - Using the website under the PROSPECTORS operations, a User agrees to follow the applied rules and conditions. More than that, a User cannot undertake the following actions:
    - Communicate or use the words in the offensive, frustrating, violent, pornographic, racist, or any other immoral or forbidden manner (this includes all the game markers such as player's name, the name of plot, the name of the union, the name of the worker, etc.)
    - Tease, threaten, offend, harass, bespeak, bully other Users

- Spread the advertising, religious, or political messages (this includes all the game markers such as player's name, the name of plot, the name of the union, the name of the worker, etc.)
  - Announce, spread or pass personal or secret information about other Users or PROSPECTORS team, or in any other manner interfere with the private life of other Users or team
  - Spread the assertions or gossips about the race, religion, gender, social status, orientation, etc. of other Users or PROSPECTORS team (this includes all the game markers such as player's name, the name of plot, the name of the union, the name of the worker, etc.)
  - Announce, spread or pass the confidential information about PROSPECTORS
  - Spread the false assumptions about PROSPECTORS (this includes all the game markers such as the player's name, the name of the plot, the name of the union, the name of the worker, etc.)
  - Misrepresent oneself as the PROSPECTORS employee, as well as the representative of the partnering or connected company
  - Use images, photos, graphics, video, audio, sounds, texts, brand names, titles, markings, software and any other materials that are protected by the author's rights, without the author's permission
  - Use forbidden or illegal materials
  - Gain the personal/game benefit from the program code mistakes
  - Undertake the actions that can lead to server overload or cause severe problems in the game process
  - Hack the program, call on or indulge such activities
  - Load the files that can contain viruses, Trojans or damaged data
  - Use or spread the automated programs, scripts or other cheating utilities
  - Interfere with the process of data transmission from or into the game servers and website servers
- A User shall follow the game rules.
  - PROSPECTORS provides the platform for communication between Users. A User alone carries the responsibility for the contents of his/her messages. The platform is intended to be used for game communication only. The use of the platform to spread spam, flood, or any other irrelevant messages is forbidden.
  - The game and game worlds are created for entertainment and should cause positive emotions only. PROSPECTORS reserves the right to use specific programs and trained personnel to detect any violations of the rules and identify a User in case of a grounded suspicion of the Agreement violation.
  - The violation of any rules and obligations can be punished by the immediate temporary blocking or deletion of the game account depending on the severity of the violation. In the case of detecting the breach, the PROSPECTORS representative will investigate the consequences of such violation in every separate case. A User acknowledges that the representative's decision is definite. Additionally, a User acknowledges that PROSPECTORS cannot

reveal the mechanisms it uses to detect violations since they can be easily circumvented otherwise.

- PROSPECTORS reserves the right to forbid the subsequent registration in the game after the blocking or deletion of the game account on other game servers.

- **Game Errors**

- A User shall report the errors detected in the game immediately.
- A User cannot demand to save or reverse the game situation or his/her achievements in case of game or website errors. A User cannot demand the 24/7 availability of the game (i.e., in case of situations like technical works on the server).

- **Obscuration of Responsibility**

- PROSPECTORS uses third party software such as EOS.IO, Scatter. PROSPECTORS does not hold the responsibility for the third party software.
